TUCKAHOE'S SEASON OPENS

Camp Tuckahoe, near Dillsburg, opened Sunday with about 200 Scouts and a staff of 35 for a summer camping season that will see approximately 2,000 Boy Scouts from Black Walnut and four other Scout districts enrolled there.

Black Walnut Scout Executive Stanley Rogers was there for opening day. The only local member of the camp staff is Patrick H. Roth, eldest son of Mr. and Mrs. G. Henry Roth, Sr. Stratton St. He is in charge of nature study there for the summer.

Seven Adams County troops were among the early registrants. They are 73, 78 and 79, Gettysburg; 71, Biglerville; 77, Boonville; 84, Littlestown, and 89, York Springs.

Troop 73, sponsored by Christ enrollment of campers with 26 Lutheran Church, has the largest Troop 78 is second with 20. Late registrations were expected, however, Rogers said.

The camp, operated by the York-Adams Area Council, Boy Scouts of America, will be open for seven weeks.

Gets \$5 From Ike For Going To Church

President Eisenhower slipped a \$5 bill into the hand of a tow-headed boy of 13, Roy Fairman Jr., Sunday and told him:

"That's for going to church this morning."

The boy often caddies for the President at the Gettysburg Country Club. He missed Sunday morning because he and his mother, who are Episcopalians, attended the same service that Mr. Eisenhower did at the Presbyterian Church.

The boy could not make it to the golf club as quickly as the President, and did not get to caddie for him. He got, instead, something of a ribbing from other caddies.

Stranded Auto Is Damaged In Crash

Troubles multiplied rapidly Sunday evening for Bonnie L. Pritt, 21, Biglerville, when she attempted a U-turn on the Biglerville Rd. a half mile east of Arendtsville about 9:30 o'clock.

Her right wheel dropped into a culvert and, unable to move the auto, she walked for a tow truck. While her unoccupied car was parked along the road, it was struck by a machine operated by Ralph D. Claar, 23, Orrtanna, who was traveling west.

No one was hurt but damage to the Claar car was estimated at \$200 and that to the Pritt auto at \$50.

State police, who investigated, were told by Mr. Claar that he was blinded by the light of an approaching car and did not see the disabled auto until it was too late to avoid a collision.

C. H. PETERS, 84, DIES ON SUNDAY

Charles H. Peters, 84, formerly of Aspers, and more recently a guest at the Robbins Convalescent Home, Buford Ave., died Sunday evening at 5:50 o'clock at the Warner Hospital where he had been a patient for the last nine days.

A son of the late Reuben S. and Sidney A. (Conrad) Peters, he was a native of Adams County and a carpenter and foreman for the Reading railroad for 35 years. He retired about 20 years ago.

About 12 years ago he moved from his home in Aspers to Brunswick, N. J., where he resided with a son, Grayson Peters, for a decade. Two years ago he moved to the Robbins Home here.

Surviving are two children: Mrs. Walter Fidler, Aspers R. 1, and N. J.; a grandchild, and two brothers and three sisters: James C. Peters, Harrisburg; Mrs. Morris Paxton, Goodyear; Mrs. Cassel Landis, Hershey; Roy S. Peters, Aspers R. 1, and Mrs. H. M. Hagar, Philadelphia.

Herter Says Reds Want To Absorb All Germany

WASHINGTON (AP) — Secretary of State Christian A. Herter today gave President Eisenhower an hour-long report on the deadlocked Geneva foreign ministers talks, now recessed until July 13.

After the conference, Herter confirmed he will go on nationwide television and radio Tuesday night to tell the American people about the thus-far futile efforts to reach agreement with the Soviet Union regarding Berlin and other problems.

Herter's 15-minute broadcast starting at 8:00 p.m. (EST) will be carried live by all the major radio networks and by the NBC and CBS television networks. ABC-TV will carry a delayed broadcast at 9:30 p.m. (EST).

Herter said he reported to Eisenhower in general terms and that they discussed "just where we are" in efforts to ease East-West tensions.

Storm Batters Fishing Fleet; 34 Dead, Missing

ESCOMINAC, N.B. (AP) — At least 34 fishermen were dead or missing today as searching planes scoured the Northumberland Strait for survivors of the week-end storm that battered the Gulf of St. Lawrence fishing fleet.

Twelve men were known dead and 22 were listed as missing.

The Royal Canadian Air Force reported 22 derelict boats were spotted by search planes Sunday along the 30-mile coastline between Point Escuminac and Richibucto. There were no signs of life.

The storm, described as the worst in 30 years, caught at least 50 salmon boats as it lashed the strait between New Brunswick and Prince Edward Island. The fleet was out in force to meet the heaviest salmon run in 30 years.

MISS KARN, S. E. MUMMERT WED SATURDAY

Miss Anne Martha Karns, daughter of the Rev. and Mrs. William Chester Karns, 625 W. King St., Littlestown, and Stanley Eugene Mummert, son of Mr. and Mrs. Ira Clyde Mummert, 401 E. King St., Littlestown, were united in marriage on Saturday afternoon at 2 o'clock in St. John's Lutheran Church, Littlestown.

The pastor, the Rev. William C. Karns, and father of the bride, performed the double-ring ceremony, assisted by the Rev. F. Russell Hummel, Philadelphia. Mrs. Jay D. Basehoar, church organist, played the traditional wedding marches and present a 15-minute recital prior to the ceremony. She was also accompanist for the soloist, Miss Regina Mummert, Littlestown, sister of the bridegroom.

The bride, who was given in marriage by her father, was attired in a cathedral-length gown of white tulle over taffeta with a full skirt with lace applique trim. The Chantilly lace bodice was styled with a sabbina neckline and short sleeves of lace. A medium length illusion veil was attached to her crown of seed pearls and iridescent, which harmonized with the trim of the neckline of her gown. She carried a white prayer book with a white orchid arrangement.

To Live In Hanover

Miss Melinda Karns, Littlestown, sister of the bride, was maid of honor. She wore an orchid ballerina-length gown of sheer nylon, fashioned with a shirred fitted bodice. Her matching picture hat had a purple band and bow. She carried a nosegay of purple asters and baby's-breath.

The best man was Rodger Irvin, Carlisle. Gerald Mummert, Hanover R. 4, and Larry R. Mummert (Continued On Page 3)

250 PERSONS VISIT TOMB OF MOTHER SETON

Approximately 250 members of the Southern Regional Union of the Holy Name Society of the diocese of Harrisburg and their families made a pilgrimage Sunday to the tomb of Mother Elizabeth Seton, foundress of the Sisters of Charity, at Emmitsburg and a candidate for canonization in the Roman Catholic Church.

Pilgrims included Holy Name Society members from Adams, York, and Franklin counties. The Rev. Fr. Joseph G. Gottwalt, pastor of St. Vincent dePaul Church, Hanover, and director of the regional group, led the pilgrims and presided at benediction which was offered at 3 o'clock.

Recite Rosary

Marlyn C. Weaver presided over the laymen and Charles Topper led the group in the rosary as they moved from the Stone House to the White House to the Tomb. At each of the spots associated with Mother Seton's life at St. Joseph's, Sisters of Charity explained the associations and distributed leaflets.

The cause of Mother Seton for canonization has been actively proceeding for a number of years. Should the Holy See act favorably she would be the first native American to be raised to the sainthood in the Roman Catholic calendar of saints. The progress toward canonization is traditional, a very lengthy one.

'Field Travel Up 4,000 For Week

Travel over the Gettysburg Battlefield in the week ended Sunday was estimated at 29,394, an increase of more than 4,000 over the preceding week when the total was 25,000.

National Park Service figures showed 924 cars made guided trips last week, carry an estimated 6,468 persons. The estimate for all visitors in private cars for the week totaled 25,872 while it was estimated that 3,512 others toured the field by bus.

Honor Brownlees At Farewell Event

Pastor and Mrs. Herbert N. Brownlee were guests of honor at a farewell dinner Sunday afternoon when about 75 gathered at the home of Mr. and Mrs. Hilton Matthews. Mr. Brownlee has been pastor of the Grace Baptist Church, Fairfield, for nearly seven years, in addition to the pastorate of the First Baptist Church of Gettysburg.

Mr. Brownlee was presented with an autograph album of testimonials from friends and a leather covered airframe reclining chair as "a token of fond remembrance of the seven years of faithful ministering at the church, often above and beyond the call of duty," said Jay Nye, superintendent of the Bible School, who made the presentation.

Mr. Brownlee had helped to found and organize Grace Church, when there were but 12 charter members and a one-room school house for a place of worship. The membership has grown to over 60 and the building has had three additional Sunday School rooms built onto it.

The Brownlees finish their work here July 12 and will begin the pastorate of the Overbrook Baptist Church, Philadelphia, on August 23.

SEVEN SCOUTS ARE GUESTS ON SUNDAY CRUISE

Seven Explorer Scouts had the time of their lives Sunday cruising on Middle River and Chesapeake Bay aboard the Mystic Foam as the guests of Mr. and Mrs. Blaine W. Hughes, Guernsey.

Under the leadership of Explorer advisor Francis Shanebrook, neighborhood commissioner Robert Storm and guest, Stanley Rogers, Boy Scout executive, the boys left Sunday morning by car and after an all day cruise returned home about midnight.

The cruise was the outgrowth of a nine-week training program given the Explorers by Hughes at the American Legion home here. After preliminary safety instructions the Explorers and their hosts spent the day aboard the Mystic Foam putting into practice some of the knowledge they had learned in the training program. But mostly they fished and swam and enjoyed the voyage on the bay.

Lunch at Club

The group had lunch aboard the 50-foot ship and then dined, as the guests of Mr. and Mrs. Hughes, at the Baltimore Yacht Club. Perfect weather added to the pleasure of the trip even though the fishing was disappointing.

The Explorers are already busy with plans for a repeat performance next summer.

Those who made the trip were Bernard Shanebrook, Steve Dattilio, Mike Weishaar, Raymond McMaster, Mark Long, Gregory Orndorff and Donnie Storm.

Gets Fellowship To Case Institute

Prabhakar S. Akolekar, an instructor at Gettysburg College, is one of 51 economics and social studies teachers selected to attend the "Economics-In-Action" fellowship program at Case Institute of Technology in Cleveland.

The four-week program, sponsored by Republic Steel Corporation, began June 13 and will continue through July 11. Now in its eighth year, the series of formal lectures, informal discussions and laboratory sessions help provide the teachers a clearer understanding of how business works.

The fellowships are open each year to teachers with the rank of instructor or higher in states east of the Mississippi on a competitive basis.

Four economists will lecture on phases of the economic structure. They are Ewan Clague, commissioner of labor statistics for the U. S. Department of Labor, who will discuss "Labor Problems"; Fritz Machlup of Johns Hopkins University, who will speak on "Economic Theory"; Wilford J. Eiteman of the University of Michigan, "Problems in Finance"; and Charles R. Cherington of Harvard University, "Government Regulation of Industry." Laboratory sessions are arranged in the form of plant tours.

NEW CARLISLE TEACHER

Mrs. Sylvia M. Knapp, Dillsburg, has been elected to the teaching staff of the Carlisle school system. She was graduated from East Berlin High School in 1942 and received her Bachelor of Science degree in Elementary Education from Shippensburg State Teachers College in 1946. She taught second grade at the Sandymount School, Carroll County, Md., for two years and a first grade section in the Mechanicsburg Area Joint Schools from 1948 to 1958.

MIAMI FACES MORE RAIN AS RECORD IS SET

MIAMI, Fla. (AP) — The sky could dry up anytime now over this resort-capital of sunny Florida, and rain-sodden Miami-ans wouldn't mind a bit.

Return of normal sunshine would be a novelty after rains which broke the city's 1942 June record Saturday night and mopped up streets, lawns and daily activities.

The weather man said today would be showery, followed Tuesday by scattered showers. If his predictions pan out, Miami's current spell of wet weather will be prolonged to eight consecutive days.

Hope For Sunshine
Miami-ans would appreciate a generous sunshine-break to mow the jungle-like growth off their lawns, and dry out their puddle-soaked shoes.

Up to today the U. S. Weather Bureau logged 19.67 inches of June rainfall for Miami by comparison with 4.61 inches average in a comparable period. The previous record for all of June was 19.54 inches. Eleven inches of this month's downpour came within one 72-hour period ushered in by another local weather freak — a destructive tornado Wednesday night.

But he nearly blew it. Tiring fast in sweating heat at the Harrisburg Country Club Sunday Holtzman was forced to the 20th hole of the final round before edging 22-year-old Earl Mumm, the Harrisburg district king.

Holtzman suffered what he called a slight case of the jitters in blowing an 18-inch putt which would have given him the title at the end of the regulation round.

Selects Wrong Club

Mumm, a muscular, long-hitting steelworker who plays out of Harrisburg's Colonial Country Club, also faltered in the heat and selected the wrong club on the 20th hole second extra hole.

He went for a 5-iron, but figuring he was tired selected a 4 and drove 15 feet over the green. His downhill approach slid past the pin and he three-putted for a double bogey five.

Holtzman sewed it up with a par three.

Holtzman entered the final by beating Bob Davies of Gettysburg 2 and 1 in a morning round. Mumm eliminated his Colonial clubmate Ronnie Leo, 1 up.

TOKYO (AP)—Millions of Chinese toiled on hastily built river dikes throughout Kwangtung and Kwangsi provinces today in a desperate fight against a flood that may develop into China's greatest of the century.

The Kwangtung floods are expected to reach their peak along the west and north rivers of the Pearl River delta Tuesday or Wednesday.

Peiping radio reported that 12 inches of rain in neighboring Kwangsi between June 15-21 had damaged 250,000 acres.

ACCIDENT TOLL DROPS TO FIVE OVER WEEKEND

By THE ASSOCIATED PRESS
Today is officially the first day of summer.

Spring made its exit Sunday 10 minutes before midnight, bowing out with plenty of sunshine and temperatures in the upper 70s and lower 80s throughout most of the state.

Roads to resort areas were crowded as families turned out for picnics, boating, fishing and other outdoor sports.

Few Accidents

Surprisingly, only five persons were reported killed in accidents in Pennsylvania over the weekend — the second lowest death toll for a weekend this year. Over the weekend of April 4-5 four persons died accidentally.

Four of the deaths occurred in auto crashes. The fifth was a drowning.

Mr. and Mrs. Charles Point of Richmond, Va., were killed Saturday when their car overturned on the Turnpike near Jeannette, William J. Lynch, 19, of Pittsburgh was killed Sunday in a two-car crash in Verona. Harry J. Long, 29, of Sunbury, was killed Saturday near Selinsgrove when his auto crashed into a telephone pole.

One-year-old Deborah Grippio of Bethel Park drowned Saturday after falling off a pier into the Allegheny River at Althom. She had wandered from a camp area.

Weddings

Krumrine-Baker

Joan Loretta Baker, Hanover, and Edwin Ormolphus Krumrine, son of Mr. and Mrs. Lester Krumrine, Westminster R. 3, were married at 3 p.m. Sunday in St. Mark's Lutheran Church, Hanover. The bride is the daughter of the late Mr. and Mrs. Harry S. McMaster.

The Rev. Edgar D. Zigler, pastor, performed the double-ring ceremony in which the bride was given in marriage by her brother-in-law, Robert F. Reichert, New Oxford R. 1.

Marion Jones, Hanover, was matron of honor.

The bridesmaids were Mrs. Evelyn Reichert, sister of the bride, and Mrs. Mabel Smith, both of New Oxford.

Flower girl was Stacy Reichert, niece of the bride. Ring bearer was Charles Baker Jr., son of the bride. Both are from New Oxford. Best man was Donald Frolick, Westminster. Ushers were William Bert, Hanover, and Richard Smith, New Oxford. Organist was Doris Baker.

A reception for 100 guests was held at Grangeville fire hall.

The bride attended East Berlin High School. Her husband served three years with the Army Tank Corps and is employed by H. and B. Trucking Co., Codorus as a driver.

The couple will live at 700 Baltimore St., Hanover.

Von Hagel-De Ved

The marriage of Mrs. Margaret Mayers De Ved, daughter of Mr. and Mrs. Clarence E. Mayers, Littlestown R. 1, and Charles Thomas von Hagel, son of Mrs. Florence von Hagel and the late James H. von Hagel, Catonsville, Md., took place at 10 a.m. Saturday at St. Mark's Roman Catholic Church, Catonsville. The Rev. James Donellen conducted the double-ring ceremony and officiated at the nuptial mass which followed.

The matron of honor was Mrs. Edward Reynolds, Catonsville. Paul von Hagel, Norfolk, Va., brother of the bridegroom, was best man. Ushers were Leo Victor and George Ackerman, Baltimore.

Immediately following the ceremony, a reception was held in the Galaxy room at Friendship International Airport, attended by about 150 guests, after which the couple left for a wedding trip to the Poconos. They will reside in their newly-built home at Catonsville. Mrs. von Hagel is employed at the Lutheran Hospital of Maryland as an assistant supervisor of nursing. Her husband is a civilian employee of the U.S. Air Force.

The wedding of Linda Hough Hammatt, daughter of Mr. and Mrs. Hallett Barker Hammatt, York, and George Arthur Williams, son of Mr. and Mrs. George H. Williams, York, took place at 2 p.m. Saturday at the Hammatt home.

The Rev. Parker B. Wagnild, professor at Gettysburg College, officiated at the double ring ceremony.

A reception followed. After their wedding trip to Cape Cod, Mass., Mr. and Mrs. Williams will reside at Mt. Airy, Philadelphia.

The bride attended York schools, Westtown School, and was graduated from Dickinson College, Carlisle, this month. Her husband was graduated from York High School in 1953 and from Gettysburg College in 1957. He will be graduated from Mt. Airy Lutheran Seminary in 1960, and plans to attend graduate school.

MORRISVILLE, Pa. (AP)—Terry L. James, 4, was struck and killed Sunday by an automobile on a lane off Ford Mill road in Falls Township.

United Increases Its Capitalization

Capitalization of The United Telephone Company of Pennsylvania was increased four and a half million dollars recently, according to L. R. Thurston, president, who reported that Mellon National Bank, Pittsburgh, had purchased two and a half million dollars of United's 5% first mortgage bonds and that United Utilities Incorporated, Allentown, Pa., had acquired two million dollars of the local telephone company common stock. Both transactions have been registered with the Pennsylvania Public Utility Commission. Kidder-Peabody and Company represented the telephone company in the transactions.

United Telephone capitalization is now \$29,455,400 as compared with \$4,511,800 at the end of 1948.

AGENT SENDS NINTH APPLE SPRAY LETTER

County Agent Frank S. Zettle has issued apple spray information letter No. 9 recommending a fourth cover spray 12 to 14 days after the previous spray application. He notes that recent high winds and rains have washed off most spray materials that were on the trees so that the new spray should be completed as soon as possible.

He suggests one of two spray formulas. Amounts are per 100 gallons of spray:

Guthion 25 per cent WP, 1/2 pound dilute, 1 1/2 pounds concentrate; TDE (Rhothane) 50 per cent WP, 1 pound dilute, 3 pounds concentrate, and captan 50 per cent WP, 1 1/2 pounds dilute, 4 1/2 pounds concentrate, or:

DDT 50 per cent WP, 1 1/2 pounds dilute, 4 1/2 pounds concentrate; TDE 50 per cent WP, 1 pound dilute, 3 pounds concentrate, and captan 50 per cent WP, 1 1/2 pounds dilute, 4 1/2 pounds concentrate.

Scab Problem

Where scab is a serious problem, Zettle adds, captan should be used 2 pounds dilute, 6 pounds concentrate. Where powdery mildew is still a problem he advises addition of Karathane at 1/2 pound dilute, 1 1/2 pounds concentrate.

Coverage of all fruits and foliage is urged with a special effort to cover tops and inside centers of trees.

Zettle cautions against contamination of streams, ponds or water supplies with spray materials. The spray letter was prepared in consultation with J. O. Pepper, extension entomologist, and C. F. Taylor, extension plant pathologist.

NEW YORK (AP) — A special one-hour television show is being planned to star Arthur Godfrey, who is convalescing from a lung cancer operation performed April 20.

The show is set for Sept. 16 from 10 to 11 p.m. Eastern Daylight Time. The type of show has not been disclosed. Presumably it will be in the nature of a welcome for Godfrey returning to television.

"A SHADY LANE"

How wonderful it is to walk . . . along a shady lane . . . whistling or singing . . . a tender old refrain . . . beneath the awnings made by God . . . there's a peaceful kind of bliss . . . and every gentle breeze is like . . . a sweet enchanting kiss . . . the emerald moss that dots the way . . . adds splendor to the scene . . . oh such a place is paradise . . . for there life is serene . . . nature in all her glory . . . is tonic for the heart . . . when cradled in her loving arms . . . the woes of life depart . . . and so whenever I feel blue . . . I walk amid her bowers . . . where I find faith and golden hope . . . and truly happy hours . . . yes, it is wonderful to walk . . . along a shady lane . . . try it when you're troubled . . . comfort will be your gain.

FOUR BOYS WHO RAPED NEGRESS GET LIFE TERMS

TALLAHASSEE, Fla. (AP)—All four white youths convicted of raping a Negro coed were handed life prison sentences today by Circuit Judge W. May Walker.

Life sentences were the maximum possible under the June 14 verdict of guilty with a recommendation of mercy.

The electric chair would have been automatic if the jury had returned a verdict of guilty without a recommendation of mercy.

No white man ever has gone to the chair in Florida or any other state for raping a Negro.

Always Gave Death
In pronouncing sentence the white-haired 54-year-old jurist told the four he had never imposed less than a death sentence or life imprisonment on conviction of rape.

The four youths paled as the sentence was pronounced but showed no other trace of emotion.

Under Florida law, parole from a life sentence is possible after six months but lifers convicted of rape customarily serve at least 10 years before being considered for parole.

The four drawing life sentences were William (Ted) Collingsworth, 23, a telephone company lineman; David Ervin Beagles, a husky 18-year-old high school senior; Patrick (Gene) Scarborough, a 20-year-old Air Force man, and Ollie Stoutamire, a skinny, pale-faced 16-year-old high school dropout.

Judge Walker told the four as he prepared to pronounce sentence, "You have been convicted of a very serious offense. It is an offense that is horrible and under horrible circumstances. The court feels sorry for you and for the prosecutrix (the 19-year-old coed). You are fortunate that the jury recommended mercy."

Dr. White Opposes Heart Fund Merger
NEW YORK (AP) — Dr. Paul Dudley White has advised the American Heart Assn. not to merge its independent fund drive with United Fund or Community Chest drives.

White is the Boston heart specialist who attended President Eisenhower when he suffered a heart attack in 1955. He is a founder and past president of the American Heart Assn.

Heart disease, he said Sunday in a statement, is "too serious a problem to hide in a segment of a united fund."

JUMPS TO SAFETY
NEW YORK (AP) — A father jumped from the attic window of his burning house Sunday with his one-year-old daughter in his arms.

He landed 15 feet below on the roof of a one-story extension. Then he dropped the child to a man among the spectators below. The father jumped and landed safely on a grassy spot.

Robert Reynolds, 31, and his daughter Barbara were treated for burns, but were otherwise uninjured.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
ONE HUNDRED YEARS AGO

Rev. Mr. Van Wyck: At a special session of the Presbytery of last week, the pastoral relation between the Presbyterian Congregation at Gettysburg and the Rev. C. P. Van Wyck was dissolved, at the request of the latter. The reverend gentleman will leave us in the latter part of this week, bearing with him the warm, sincere affection of many attached friends, who are ever ready to bear testimony to his pastoral faithfulness, his pure doctrinal exposition of the Word, and his gentlemanly, courteous deportment.

There was a musical concert at Hanover on Saturday last by the singing societies of Gettysburg and Fairfield under the direction of Prof. Harry. The cars in the morning and at noon (an extra one at the last hour) were crowded to excess and all returned early in the evening delighted with their excursion.

The new machinery on the Railroad works admirably; and there is now great regularity in the arrival of trains. We have learned that the run from Hanover here a few days ago (17 miles) was made in 28 minutes, which is rapid enough for all practical purposes. The new car is a very comfortable one and moves along smoothly.

Geo. W. McClellan, George Swope, Samuel B. Russell, E. B. Buehler and James A. Thompson were elected Managers of the Gettysburg Water Company for the ensuing year.

Several very handsome new buildings have been erected in Littlestown—the most prominent of which are the elegant hotel of Mr. Barker and the private residences of Mr. A. Bankerd and Dr. Seiss. The new hotel is on the site of the old one, at the corner of Baltimore and Frederick streets. The main building is 41 feet long, 26 feet deep and three stories high, surmounted by and surrounded by an elegant iron verandah—giving to the exterior a most imposing appearance. The other residences mentioned above are finished in an elegant manner and reflect great credit upon the architect, Mr. Bankerd, of Baltimore.

SEVENTY-FIVE YEARS AGO
Ox Roast: The citizens of Adams and surrounding counties will have an opportunity on the "Glorious Fourth" through the public spirit and liberality of Col. John H. McClellan, to see an old-fashioned ox roast. This will be a novelty well worth seeing, especially to the younger generation. In the early days of the Republic these barbecues were quite common at large political meetings and on National days, but the custom has grown into disuse. The roast will take place on the grounds of "Round Top Park" and the immense bovine, already fattened for the occasion, will be dissected and distributed as soon as he is thoroughly roasted, which process will probably commence on Thursday evening. The roasting will be in charge of our popular butcher Frank J. Rosensteel, an assurance that the work will be well done. A lunch of sandwiches and coffee will be free for all, and this with a first-class orchestra, a fine dancing pavilion, beautiful walks, patriotic and historic surroundings ought to attract every one. The object of the roast is two-fold—to give our people an opportunity to have an old time Fourth and to celebrate the completion and successful operation of the Gettysburg and Harrisburg railroad. A salute of thirty-six guns will be fired.

Local Items: There were excursions over the new railroad to Round Top every last week—the largest on Saturday from Harrisburg.

The G.A.R. Post of this place requests that citizens put out their national flags on the 30th inst. and keep them flying until after the 4th of July.

Today's Talk

BECAUSE OF YOU

None of us have an accurate knowledge as to the influence we have over others, and how that influence spreads without our notice. Because of you many people are either made happy or unhappy. The influence works both ways. If we feel we are a good influence over others, then we can bid high to make that influence wide-spreading.

The idea comes over us, time and again, that our little life doesn't count—but it does—no matter who you are, where you live, or what your thoughts are, you are important! The world needs your good will, and your thoughts, no matter who you are. Because of you many people are made happier and more adjusted to life and its trials, troubles, and tribulations. Keep this fact in mind.

Not until we lose those whom we have loved long do we realize how much they meant to us, but unfortunately those who have passed away from us can only return to us in memory. How important it is, then, to gather all the friends we have to be our companions.

Because of YOU this world can well be a better place with than without you! The art of making friends is the happiest art in all this world. No one's good influence is ever given off without gain to all concerned. Because of you many a one can say that life is worth the living—and largely because of your faith and kindness.

There must have been some reason for the creation of so many stars in the sky that we view on every clear night, but you are infinitely more important than all these stars, and your influence is an undying thing.

Tomorrow Mr. Adams will talk on the subject: "On Spending One's Life"

Just Folks

HAD I BUT KNOWN

Had you but told me years before
That you would join a contract club
And I should homeward come to know
Just salad for my evening grub,
I might have asked you then to own
The love you had for me, my dear,
But I believe, had I but known,
You would not now be sitting here.

Had you but told me years ago
That you would come to me and say,
In dead of night: "It's raining,
Joe,
Please shut the windows right away!"
I might have asked you even then
To marry me, such things occur,
But I'm inclined towards thinking,
Jen,
That I'd be now a bachelor.

Had you but told me years ago
That you would summon me in haste
Unto your room to let you know
If white skirt showed, a hem to baste;
I might have, even then, declared
Your love — I couldn't do
without it —
One never knows when he is snared;
I might have popped, but Gee!
I doubt it.

It's Tough For Man To Outlive Woman, Says Boyle

By HAL BOYLE
NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:
One of the hardest things in the world for a man to do is to outlive a woman. Twice as many women as men now live to be more than 100 years old.

The plumbing in your body is more complicated than that in the average city. You have more than 100,000 miles of arteries, veins and smaller blood vessels—all dependent on a heart the size of your fist.

24 Kinds Of Maneaters
Nutrition note: Only 24 of the 350 known types of shark find human beings particularly appetizing.

A survey showed that only a third of today's teen-agers earn their own spending money.

Americans should be getting smarter. Despite the decline of TV quiz programs, they spent nearly 200 million dollars last year in the purchase of encyclopedia sets.

Son Worse Risk

The major gripe of most secretaries is that their boss leaves the office without leaving word where he can be reached. Other secretaries complain, "I don't care where he goes—if he'd just go more often."

Pianos have about 7,500 parts. More than the average automobile.

Today's best quip: Robert Q. Lewis of CBS says he doesn't know whether rock 'n' roll music is dying—but it sounds like it is.

Parents worry most about their teen-age daughters. But statistics show that a son is four times as likely to get into trouble as a daughter. Tell that to the old man, Sis!

Elephant's Straw

The average rainfall for the earth is 32 inches a year. If it fell all at once, we'd all be thigh-deep in 480 million tons of water.

Many people still firmly believe an elephant drinks through its trunk. It doesn't. It uses its trunk as a straw—to suck up the water, which it then squirts into its mouth and swallows.

Our quotable notables: "A woman," says actress Paula Hill, "prefers a man with a will of his own—provided it's made out in her favor."

Some People Love Us

Some folks do love us. Fifty two per cent of Italians, asked in a newspaper poll what nationality they would prefer to be if they were not Italians, responded, "I don't know." But the second largest group—27 per cent—said they would like to be Americans.

A great to-do is being made in some quarters, about the dangers in kissing. But the American Medical Assn.'s Journal says, "There is only once chance in 500 that the girl or boy you might kiss will have a disease which can be transmitted by osculation."

Worms From Machine

The giving of presents to one another has become a major industry in the United States. We now give an average of 50 gifts a year each. Maybe we need a national give-nobody-nothing day.

WILL DEBATE BRIGITTE AS ROAD HAZARD

By FRED B. WALTERS
HARRISBURG (AP)—Have you ever thought of Brigitte Bardot as a highway hazard?

Or, for that matter, any of the idols of the screen whose very image sets male or female hearts to fluttering?

Pennsylvania's legislators probably will get a chance to test their oratory on that very issue soon.

The House Municipal Corporation Committee is nearing a decision on a bill proposing to regulate outdoor movies, including, among other things, their movie screens' location in reference to nearby highways.

Committee Chairman Julian Polaski (D-Erie) said today the bill's chances are good for passage in the committee and the full House.

The principal feature of the legislation is a provision forbidding screens to be visible from a public road.

"Think of it in terms of a safety measure," Polaski said. "For instance, on my way home (from Harrisburg to Erie) there's a very dangerous curve crossing a railroad track. Right in the middle of the curve facing the highway is an outdoor movie screen. That could be a very dangerous distraction."

No Evidence Of Accidents

O. D. (Mike) Shipley, director of the State's Bureau of Highway Safety, was cautious in his appraisal.

"We have no evidence where the screen itself—facing the highway—has caused any accidents," he commented, adding:

"I guess if the screen is so located that it could take a driver's eyes off the roadway, it would be hazardous. I would want to make a further study before I commit myself."

MACHINISTS ELECT

MEADVILLE, Pa. (AP)—

Arthur B. White of Jamestown, N.Y., has been elected president of the Pennsylvania State Council of the International Assn. of Machinists.

The association at its final session Sunday also re-elected Joseph Phillips of Philadelphia, executive vice president; Alton Ross of Erie, secretary-treasurer; and Jack Bartram of Erie, Robert Byham of Bradford, Richard Davis of New Castle and Ed Clinch of York, district vice presidents.

NEW YORK (AP)—A contract compromise in the steel industry—consisting of substantial worker benefits of the welfare type plus a modest wage increase—is being suggested informally by the government as negotiations resume here today.

Four-man teams representing the United Steelworkers of America and the 12 largest steel companies meet after a weekend recess.

Bouchee Sprains His Left Ankle

LOS ANGELES (AP)—The weak-hitting Philadelphia Phillies have been dealt another bad break.

Their best hitter, first baseman Ed Bouchee, probably will be out of action for the next two or three days with a sprained left ankle. The Phillies open a four-game series with the Los Angeles Dodgers tonight.

Bouchee sprained his ankle going into second base after belting a double in the ninth inning of Saturday's game with Chicago. His power was missed Sunday as the Cubs defeated the Phillies 4-0 on John Buzhardt's one hitter.

The only safety for the Phillies was catcher Carl Sawatski's line drive to right field in the third inning. Only six balls were hit out of the infield by the Phillies as Buzhardt breezed to his fourth victory against two defeats.

SPANISH CRASH KILLS 2 AIRMEN

BARCELONA, Spain (AP)—One American airman was killed and another fatally injured Sunday when a tire on their car blew out 20 miles from Barcelona.

Two other airmen were slightly injured.

Sgt. Harold N. Cressman was killed instantly, and A2C Carl R. Buck of Marshallfield, Mo., died in a Barcelona hospital today. Cressman's father lives in Stowe, Pa., and his mother in Bethlehem, Pa.

Those injured were Sgt. Gerald D. Koestler of Ogden, Utah, and A2C Walter G. White of Brookville, Pa.

The four men were attached to the Air Weather Service at Zaragoza Air Base. They were driving to Barcelona for a three-day leave. The car hit a telephone post and turned over.

Kratzer Heads Pa. Exchange Clubs

BEDFORD, Pa. (AP)—The new president of the Pennsylvania Exchange Club is Carl F. Kratzer of North Catasauqua. He was elected Saturday at the conclusion of the group's annual meeting.

Also elected were Orland A. Kipp of Johnstown, vice president; Harry C. Stitt Jr. of York, treasurer; Oliver J. Smith of Lancaster, secretary.

Named to the board of control were Garcia R. Masterson of Oil City, the Rev. Edward R. Pein of North East and Harold Cregar of Easton.

In 1693, the first newspaper in the colonies appeared in Boston. It was called the "Publick Occurrence." It expired four days later because it had been published without official permission. Today, a free and independent press serves 100,000,000 readers daily.

M'LISH AND GRANT CHECK YANKEE RUSH BEFORE 68,680

By JOE REICHLER
Associated Press Sports Writer

The Cleveland Indians owned their biggest lead in the American League since May 26 today and they owe it to the determination and the strong right arms of pitchers Cal McLish and Jim Grant.

It was McLish and Grant who slowed up the on-rushing New York Yankees Sunday by pitching the Indians to a doubleheader sweep, 4-2 and 5-4 in 14 innings. The victories boosted the Indians' first place margin to two games over Chicago and shoved the defending champion Yankees back into the second division.

The largest crowd of the major league season — 68,680 Yankee Stadium spectators sat through seven hours and 14 minutes and saw McLish and Grant go all the way although giving up 25 hits between them.

McLish registered his seventh victory despite allowing 11 hits in the opener. He left 13 Yankees stranded. Grant hurled all 14 innings in the nightcap, winning his fifth as he yielded 14 hits. He left 12 Yankees stranded.

Billy Pierce pitched the White Sox into second place, with a 3-2 triumph over Boston that dropped the Red Sox into the American League cellar, two percentage points behind Washington. The Senators climbed up to seventh by thrashing Detroit 4-3 and 7-5. The double defeat lowered the Tigers into a third place tie with Baltimore, which bowed to Kansas City 7-0.

Rocky Colavito and Vic Power shared the hitting honors for the Indians. Each hit two homers, one in each game. Colavito's first game homer, with a man on base in the third inning, proved to be the winning blow. Power's second homer came in the 14th inning of the nightcap and snapped a 4-4 tie. The blow came off Jim Coates, third Yankee pitcher, who had given up a run in the 13th only to have the Yankees get it back in their half of the inning.

The double defeat dropped the Yankees into fifth place, 3½ games off the pace. A sweep would have boosted the Yankees, who had won five straight and 17 of their last 23, into first place by half a game.

Pierce won his eighth game with a six-hitter against the Red Sox. He got one of Chicago's seven hits and drove in what proved to be the winning run with a force play in the fourth.

Boston had the tying run on second with one out in the ninth but the veteran southpaw disposed of the next two batters without further damage. Home runs by Harry Simpson and Sammy Esposito accounted for Chicago's first two runs.

A Washington First Washington's double win was its first of the season. The Senators overcame a 3-0 deficit in the opener, then scored the winning run in the ninth when Detroit pitcher Barney Schultz let Harmon Killebrew's two-out grounder with the bases full go through his legs.

A home run by rookie Bob Allison, his 18th, featured Washington's six-run blast in the fourth inning of the nightcap. Roy Sievers also homered for Washington, the 200th of his career.

Veteran Ned Garver not only pitched a three-hit shutout for Kansas City, but hit a home run, double and single as the A's rapped lower Arnie Portocarrero and Billy Hoelt for 16 hits.

Davies Defeated In Semifinals

Bob Davies, of the Gettysburg Country Club, advanced to the semifinals of the 36th annual Central Pennsylvania golf tournament before bowing to Dr. Tom Holtzman, Hershey, 2 and 1, Sunday on the Harrisburg Country Club course.

Dr. Holtzman won the title by defeating Earl R. Mumma, Harrisburg, 1 up, in the finals.

HOUSTON, Tex. (AP) — Coach Del Wilber took over today as manager of the Houston Buffs, succeeding Al (Rube) Walker. Walker's dismissal Sunday came with Houston buried in the cellar of the association's Western Division with a 29-41 record.

Mummasburg pulled a big surprise in the South Penn Baseball League Sunday afternoon by dumping the previously unbeaten Arendtsville outfit 6-3 on the Mummasburg diamond. The loss was the first after 10 straight triumphs for Arendtsville.

Johnny Slaybaugh, Mummasburg pitcher, permitted Arendtsville three runs in the third inning and thereafter allowed but two batsmen to reach base, John King who singled in the seventh, and Dan Bushman who doubled in the ninth. Slaybaugh whiffed five and walked one.

Laverne Shultz and Dick Pitzer pitched for Arendtsville with the latter being charged with the loss. Earl White sparked the Mummasburg attack with a homer in the third inning and a pair of singles.

Hunterstown created a three-way tie for second place by nipping Jefferson 2-1 at New Oxford. In another tight game Brushtown scored a run in the 10th inning to edge Bonneauville 3-2 at Brushtown.

Harney outlasted Greenmount for an 8-6 decision at Greenmount.

Fairfield Little League

The Pirates scored heavily in every inning but the first to trounce the Cardinals 15-7, Saturday afternoon in the Fairfield Little League. The win gives the Pirates sole possession of first place and drops the Cardinals into second place.

Don Dick clouted a pair of doubles and Henry Neely added another to produce the Pirates' extra base hits. Barry Fitz, Barry Reecher and Jeff Weikert also belted two baggers for the losers.

Henry Neely gets credit for the win while opposing moundsman Paul Martin is charged with the loss.

PAN-AM GAMES TRACK SQUAD HAS BALANCE

By FRANK PITMAN
BOULDER, Colo. (AP) — The Stars and Stripes will be carried into international track and field competition this summer by a balanced array of veteran champions and bright young newcomers.

The athletes who finished 1-2-3 in the National AAU Championships during the weekend will represent the United States in the Pan-American Games at Chicago beginning Aug. 28.

The top two finishers meet a Russian dual team in Philadelphia July 18-19. Other leading performers were picked on squads to tour Germany and Scandinavia.

Top Spinners
Three of the brilliant youngsters are sprinter Ray Norton, San Jose State senior; miler Dyr Burleson, Oregon's freshman sensation, and Tom Murphy, the New York Athletic Club's 800-meter runner.

But one of the best in the AAU, Charlie Tidwell, Kansas University junior, failed to make the traveling teams because his specialty—200 meters hurdles—is not an international event.

Tidwell raced to an AAU and American record in winning the race in 22.6 seconds. That erased Harrison Dillard's AAU record of 23.3 and Tidwell's American mark of 22.7.

Norton Outstanding
Norton, winner of the 100 and 200 meters dashes, was voted the outstanding athlete at the two-day meet.

Burleson smashed the AAU 150 meters record with a 3 minute 47.5 seconds clocking over the course, 120 yds short of a mile.

Frank Potts, University of Colorado coach who will guide the U. S. team against Russia, called Burleson "the finest young miler in the United States—capable of running a four-minute mile."

Murphy a grad student at Manhattan College, won the 800 meters in 1:47.9, just three-tenths of a second off the AAU record set in 1955 by Arnie Sowell of Pittsburgh.

Peminiscent Of Louis
Patterson cut his work to two rounds at Ehsan's camp where about 1,000 spectators crowded inside and around the tiny gymnasium. Trainer Dan Florio said Floyd weighed 184½ pounds when he started. After the workout, the champ said he weighed 180.

In many ways the scene at Chatham reminded you of the old days at Pompton Lakes, N. J., when Joe Louis' camp drew busloads of Sunday visitors at a fee.

There was no important difference. No admission is charged at Patterson's camp. Some body spread a rumor that there was free beer.

Fastest Ever
The champ had planned to box three or four rounds. Instead he went only two, one each with Bill Tate of Chicago and Lou Jones of Rockford, Ill.

Rocky Marciano, the retired undefeated champ, was at ringside. "This is the fastest heavyweight I ever saw," said Marciano, who said he weighed 220 pounds. "I wouldn't like to compare him with Johansson. I only saw Johansson two rounds Saturday."

Sowers Captures Speedway Feature
Roger Sowers, Mt. Holly Springs, won the feature race, and David Ford, Westminster, the new amateur division affair, Saturday evening at the Lincoln Speedway, near Abbotstown.

In the feature race Boots Podjet, Lebanon, finished second; Stan Thomas, York, third; Bobby Abel, Wrightsville, fourth, and Jerry Banks, Stewartstown, fifth.

Heat winners were: First, Jerry Banks; second, Johnny Nuzum, York, and third, Boots Podjet. Bobby Hersh, Seven Valleys, took the consolation race.

Next Saturday's program has been advanced to 8 o'clock and will include sprint cars as well as the usual stock car events.

fast-fair claims service. Available only from agents
of Pennsylvania's strongest casualty company. Read the
features below and see how the careful driver saves.

Don't you agree it's time somebody did something to bring down the cost of quality automobile insurance? Not just a few minor alterations, but a major overhaul with basic money-saving improvements?

The company that for 30 years has offered rewards to safe drivers—has done just that. We conferred with agents, and made a comprehensive study of the problems that cause high rates. We examined the risks, the accidents, the losses, premiums, jury awards, cost of repairs and—above all—the kinds of drivers who cause accidents.

After the study we knew what we could do—and we went ahead and did it. We simplified the coverage...found ways to cut handling costs...streamlined office and accounting procedure...simplified issuing of policies...simplified payment of premiums...lowered rates across the board.

And the result of all this is—**Champion**, the new automobile insurance package.

You can read more about **Champion** in the columns at the right, but please remember the basic idea or insurance philosophy: A preferred policy for the careful driver should cost less!

Champion gives the careful driver a break!

Nation's Business Is Surging Toward Record All-out Boom

By WALTER BREEDER JR.
AP Business News Writer
NEW YORK (AP)—The spring upturn in the nation's business showed signs of swelling into an all-out boom last week.

Personal incomes of most Americans were never higher; output of mines and factories held to a record pace.

Living costs crept to a new peak, too, but faster paychecks for many consumers more than offset the rise.

The spring surge in consumer spending continued without a let-up.

Surge Continues

Auto dealers sold 182,100 new American-built cars in the first 10 days of June—the best for that period since 1955 and a whopping 46 per cent more than in the first 10 days of June last year. Detroit, which once thought the U.S. motor industry would do well if it sold 5½ million cars this year, set its sights on a bigger quota.

Sales of home appliances, recently considered laggards in the fast growing American consumer market, showed surprising bounce. Richard J. Sargent, vice president of Westinghouse Electric Corp., said manufacturers' sales of refrigerators, electric ranges, and automatic washers

and dryers in the first five months this year racked up a gain of nearly 20 per cent over the same period of 1958.

Furniture manufacturers in Chicago for the industry's big summer show gleefully predicted record sales for 1959 and a 12 per cent increase over last year.

Most also predicted higher prices next fall, despite reductions by Kroehler Co. and a few other leaders. Gen. Lawrence Whiting, president of the American Furniture Mart, declared: "The boom in furniture sales is just beginning."

Home builders leaned heavily toward optimism this week, apparently having taken in stride a slowdown in construction activity last month. The National Assn. of Home Builders announced after a poll of 500 members that builders generally expect the second half of 1959 to be as good or better than the first six months.

The building boom's biggest obstacle, in the opinion of some, is the trend toward higher interest rates and tighter money.

Henry C. Alexander, chairman of the newly merged Morgan Guaranty Trust Co., ventured a forecast on interest rates this month—and he said they could go only one way, up.

Ethel Barrymore Funeral Is Held

HOLLYWOOD (AP) — The theatrical world pays final homage today to Ethel Barrymore.

Requiem Mass will be recited for the great actress in the Church of the Good Shepherd, Beverly Hills.

Miss Barrymore, 79, died of a heart ailment Thursday.

She will be buried in Calvary Cemetery beside her brothers, John and Lionel.

About 300 mourners attended recitation of the Rosary for Miss Barrymore Sunday night in the Church of the Good Shepherd.

In 1878, the first successful Sunday edition of a daily newspaper was published by the Philadelphia Himes. Today, approximately one-third of the daily newspapers in this country publish a Sunday edition.

Reading Man Guilty Of Mann Act Charge

SCRANTON, Pa. (AP)—A U. S. District Court jury Friday night found Charles Camelleri, 31, of Reading, guilty of transporting his 17-year-old sister-in-law across state lines and attempting to force her into prostitution.

The jury of 11 men and a woman deliberated 92 minutes before announcing its verdict in the Mann Act case to Judge John W. Murphy. He revoked Camelleri's \$5,000 bail and remanded him to Lackawanna County Prison pending an appeal or sentencing.

LABOR PROBERS WRANGLE OVER INVESTIGATION

WASHINGTON (AP) — "To be charitable about it," Robert F. Kennedy says of criticism by Sen. Barry Goldwater (R-Ariz.), "I think his statement is completely unfair."

Goldwater recently said that Kennedy, a Democrat and counsel to the Senate Labor-Management Committee, would use every diversionary tactic to keep the committee from investigating activities of labor and business in politics.

But Kennedy said Friday that no work on the investigation can be done by the staff until Goldwater and Sen. Frank Church (D-Idaho) report to the committee next week. They were assigned to reach an agreement on the proper procedure for the probe, Kennedy said.

Clearly Understood
"It was clearly understood that we, the staff, were not to make any investigation until this subcommittee reported," he said. "That was specific. They still haven't made their report and Sen. Goldwater knows that."

"If they want to go into this subject, I'll be glad to go into it," The exchange between Goldwater and Kennedy foreshadowed possible future difficulties if the committee, which comprises four Republicans and four Democrats, begins the probe.

Some Republicans, including Goldwater, have asked for an investigation of whether labor unions have circumvented federal law in supporting Democratic candidates for federal office. Some Democrats, on the other hand, want an investigation of whether big business has found loopholes in the law to support Republicans.

The committee started an investigation last year but dropped it after a political hassle developed.

PUBLIC SCHOOL CODE AMENDED

HARRISBURG (AP) — A new law signed by Gov. Lawrence amends the public school code to give Pennsylvania's school districts broader taxing powers.

The bill signed Friday allows second, third and fourth class districts to levy taxes to pay rentals to nonprofit corporations, to pay sinking fund charges on approved building projects, and to pay for amortization of a bond issue which provided for a school building before July 6, 1959.

It also wipes out the present limitations upon the taxing power of fourth class districts, giving them the same power as second and third class districts.

The governor signed into law other bills to:

Amend the public school code to permit joint boards of school directors and union and merged school districts to employ a certified public accountant to audit the accounts of the district.

Require county treasurers to make quarterly payments and distribution of all proceeds from delinquent taxes on seated lands, costs and interest to the proper parties.

Last Civil War Vet Faces Uphill Fight

HOUSTON, Tex. (AP) — Walter Williams, last survivor of the Civil War, rested today in an oxygen tent, his condition unchanged in his bout with pneumonia.

"There's little or no change," Dr. Russell Wolfe said Sunday night.

"His temperature has dropped a little bit and his pulse is good," the doctor added. The 116-year-old veteran's temperature had risen to 101 during the day.

There are more than 700,000 Blue Cross members in the 18-county Central Pennsylvania area.

NEGOTIATIONS ON STEEL AT DEAD CENTER

Editors: The steel contract negotiations have 10 days to deadline. Here is a summary of the situation as it stands now in the view of John Moody, veteran steel reporter in The Associated Press Pittsburgh bureau.

By JOHN MOODY
PITTSBURGH (AP) — Steel negotiators have 10 days left to reach a peaceful settlement on a new labor contract. There is little to spark hope that differences will be settled by the June 30 deadline.

Stripped of the fanfare and window dressing the negotiations once more have become a test of economic strength.

The steel industry has given many indications it believes it can outlast the United Steelworkers Union in a strike.

No Sign Of Relenting
USW President David J. McDonald shows no sign of relenting in his quest for a substantial wage increase and other economic gains. Workers now earn an average of \$3.03 an hour.

The steel industry appears adamant in its stand that this is the year to halt a wage-price spiral that began in 1937. Since then steelworkers have received 14 wage increases. Prices have been boosted 12 times.

For the first time in the history of the USW-steel industry negotiations, company executives show no reluctance about saying they expect a strike. They have been preparing openly for one for months.

Customer Alerted
Steel officials announced their proposal for a one-year freeze on wages even before negotiations opened in New York last May.

Customers have been alerted to the possibility of a strike and the industry has been operating at near capacity for months trying to build up customer inventories.

In 1956 when the present contract was signed after a 43-day steel strike both customer and government pressure weighed heavily on industry officials.

Oppose Price Increase
Reserve steel stocks should reduce customer pressure—at least for a time.

President Eisenhower and other government officials are on record as opposing any settlement that would necessitate a price increase. Steel executives feel this puts the government in their corner.

McDonald repeatedly has referred to the steel firms' attitude as the opening effort of big industry to weaken the American labor movement. Such talk has aroused more than normal interest among other union leaders, makes them more likely than ever to lend moral and money support to the steel union. Support has been promised the USW by John L. Lewis' United Mine Workers, Walter Reuther's United Auto Workers and James R. Hoffa's Teamsters.

On Dead Center
If the industry stands pat on its proposal the only escape from a strike would be for McDonald to make some concessions to permit the steel companies to effect savings and put the money in work-

BRUNETTE WINS BEAUTY CROWN

WEST CHESTER, Pa. (AP) — A 21-year-old lovely brunette from Delaware County has been named Miss Pennsylvania of 1959.

Lois Janet Piercy, who is five feet five, weighs 128 and measures 37-24-36, was selected Sunday from a field of five finalists.

Lois, whose home is in Springfield, now will compete for Miss America honors at the annual pageant in Atlantic City in September.

As Miss Pennsylvania, Lois will receive among other awards, a scholarship totaling \$3,000.

Actually, Lois entered the contest as Miss Centre County, since, at the time, she was a student at Penn State University. She graduated this spring and has been offered a teaching position in the Lower Merion Township school system in Montgomery County.

Eighteen-year-old Susan Metzger of Lewistown, who was Miss Susquehanna Valley, was runner-up. Carol Jean Willhoite, also 18, of Stroudsburg, who entered as Miss Pocono Mountains, finished third.

ers' pay envelopes. This would be a reversal of McDonald's past practices.

As of now the negotiations appear to be on dead center with each side waiting for the other to make a new move. That is the way long strikes develop.
